WHO YOU GONNA CALL?

It's June and you haven't planned your summer vacation. (Gulp.) Fear not: Help is on the way

EVERY YEAR, OUR INDEFATIGABLE CONSUMER NEWS EDITOR, Wendy Perrin (she of The Perrin Post blog, at perrinpost.truth.travel), vets countless villa rental and travel agents around the world to come up with her list of "Perrin's People"—the men and women who magically take the headache out of trip planning (see 2010's list of villa rental agents on page 62). Now getting in touch with them—and finding out more about how they can transform your trip from so-so to sensational—is as easy as visiting our new **Find Your Perfect Trip Planner** sub-site on truth.travel. Here you'll be able to learn much more about our 126 travel specialists and 46 villa rental agents, hear directly from them about destinations they can't get enough of, leave questions for them, and read and post user reviews. Get ready to experience planning your next vacation in a whole new way.
